Overview of the Collection

Collection No. : PM-4

Title: Freshwater Wetlands Appeals Board Collection

Creator: Eric N. Vitaliano

Dates: 1988-1998

Extent: .5 Linear Feet

Abstract: The collection consists of the orders and decisions of the Freshwater Wetlands Appeals Board for 1988-1998. The collection also contains a chronological list of decisions for 1993 and a docket list created in July 1992.

The New York State Freshwater Wetlands Appeals Board (FWAB) was created in 1976 to permit the expeditious review of decisions involving Freshwater Wetlands. The FWAB serves as an alternative forum for individuals seeking substantially the same

relief as would be available through an Article 78 proceeding under the Civil Practice Law and Rules.

This collection was donated by the Honorable Eric N. Vitaliano as part of his legislative papers in 2002 and separately cataloged for easier reference. For additional materials related to the Freshwater Wetlands Appeals Board and wetlands issues, see the Assemblyman Vitaliano Papers.

There is no finding aid for this collection, only an inventory of its contents.
